42.P12154

Serial No. 09/965,230

Examiner: Laymon, Wan

Art Unit:

REMARKS

Applicants in the above-identified application received a Notice of Abandonment for Failure to Timely Reply to a Decision on Petition. The Notice of Abandonment was mailed July 23, 2003. Applicants respectfully request withdrawal of the holding of abandonment because Applicants failed to receive the Decision on Petition until August 23, 2003.

MPEP §711.03(c) II permits an allegation that an Office communication was never received to be considered in a petition to withdraw a holding of abandonment. Applicant's representative must include a statement that Applicant's representative never received the Office communication. Applicant's representative must attest to the fact that Applicant's representative performed a search of the file jacket and docket records, and that the searches indicate that the Office communication was not received. Applicant's representative must attach to the statement a copy of the docket record where the non-received Office communication would have been entered had it been received and docketed. Applicant's representative must make reference to the attached docket record.

Statement Showing Non-Receipt of Decision on Petition

In response to a Notice to File Missing Parts, Applicants' representative filed a Petition Under Rule (47)(a) on February 13, 2002. Applicants' representative then received a Notice of Abandonment dated July 23, 2003 for failure to respond to a Decision on Petition (Paper No. 6) mailed December 11, 2002.

Applicants' representative performed a search of the file jacket and docket records looking for the Decision on Petition. The search indicated that Applicants' representative did not receive the Decision on Petition.

Applicants' representative telephoned the Office of Petitions and informed the Examiner that Paper No. 6 was never received. The Examiner and Applicants' representative then determined that Paper No. 6 was mailed to the wrong address. The Examiner faxed Paper No. 6 to Applicants' representative on August 18, 2003.

Paper No. 6 gave Applicants two months to file a Request for Reconsideration of Petition Under 37 C.F.R. §1.47(a). There are two mailing dates shown on Paper No. 6: May 20, 2002 and December 11, 2002. It is not clear whether the Examiner intended the period for reply to begin running on May 20, 2002 or December 11, 2002 thus Applicants' representative has attached a copy of the docket record for July 20, 2002 (Exhibit A) and February 11, 2003 (Exhibit B), two months from May 20, 2002 and December 11, 2002, respectively. The docket records indicate that the Decision on Petition was not docketed for either date.

Accordingly, Applicants' representative respectfully requests that because the Decision on Petition was not received that the Petition for Withdrawal of Holding of Abandonment under 37 C.F.R. §1.181(a) be granted.

CONCLUSION

The Examiner is invited to telephone the undersigned representative if the Examiner believes that an interview might be useful for any reason.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
